

Keep an eye on what's going on – just like a professional
The thoughtful design of this cooker makes it easy to stay up to date with the progress of all your dishes – whether under the grill, in the oven or on the hob

Product Benefits & Features

Clean up the hob with one smooth wipe
It couldn't be simpler to keep this cooker clean. The cooker has an absolutely flawlessly smooth surface – without even any knobs – so you can clean up with one wipe

A clever innovation that lets you cook without a care
This oven door has several clever innovations that let you cook without a care. Together, they ensure the outside of the door remains safely cool to the touch

An ingenious design touch to make thorough cleaning easier
This cooker has an ingenious design touch – the inner panel of the oven door can be completely removed. This way, achieving that deep clean is considerably easier

Know for sure whether it's safe to clean the hob
Don't guess whether the hob is safe enough to clean – check the residual heat indicators. They'll tell you exactly which heat zones are still hot

Enjoy excellent energy efficiency
This cooker is a full 20% more energy efficient* than class A, the best energy class in the EU labelling classification for cookers with electric ovens.
*20% more energy-efficient compared to the limit of energy efficiency class A (1,00)

- Left rear zone
- Oven Cleaning
- Top oven functions
- Easy to clean oven door
- Oven type: Electrical
- Cooling fan
- Adjustable height
- Bottom oven functions
- Rear exhaust for oven fumes
- Hob type
- Appliance HxWxD (mm)
- Cooker
- Left front cooking zone
- Right rear zone
- Right front cooking zone

Product Specification

Main colour	Stainless steel
Height lid closed	850
Height (mm)	850
Height maximum (mm)	867
Net product weight (kg)	46.2
Voltage (V)	230
Energy type	Ceramic
Oven Energy Source	Electrical
Required Fuse	3x16
Total wattage (W)	9886
Country of origin	PL
Volume usable, l	73
Depth (mm)	600
Width	596
Installation type	
Product type	Electric range cookers
Width_cm	60
