

**The healthy way to enjoy fried food**

Enjoy crispy, tasty fried food, using little to no oil. The versatile Explore 6 Air Fryer allows frying, grilling, roasting, and even baking. Delicious results, for the whole family, without the guilt of using oil.

**Product Benefits & Features****Crisp, tasty results, with little to no oil.**

The Explore 6 Air Fryer offers a healthier way to enjoy your favourite fried dishes. Hot air is circulated to heat ingredients from all angles, for a natural, crispy finish.

- Cook healthy, delicious meals conveniently, with eight pre-set programmes.
- Enjoy a variety of cooking options with the Explore 6 Air Fryer.
- Crisp results, with little to no oil, thanks to the fryer's hot air circulation.
- The versatile Explore 6 Air Fryer allows frying, grilling, roasting and even baking, using little to no oil.
- All of the Air Fryer's removable parts are dishwasher safe, for easy cleaning.
- The removable basket has a generous capacity to fit a whole chicken.

**Fry, bake, roast and grill.**

The Explore 6 Air Fryer is a great kitchen all-rounder. There's no need for multiple appliances when you're in the mood for baking, frying, roasting or grilling – it can all be done with the Air Fryer. And you can get inspired with the tailor-made recipes.

**Easy cooking with pre-set programmes.**

Eight pre-set cooking programmes make achieving delicious, healthy results easy. Whether you're baking cupcakes, roasting chicken or frying vegetables, the Explore 6 Air Fryer is quick and easy to use.

**Large Capacity for family meals**

Cook healthy meals for the whole family with the Explore 6 Air Fryer's large capacity. The removable basket is large enough to cook a whole chicken at once.

**Easy cleaning, with dishwasher-safe parts.**

Each and every removable part of the Explore 6 Air Fryer can safely be cleaned in the dishwasher. Meaning less items in the sink to wash up by hand.
