

Natural drying with fresh air

Our 300 AirDry Dishwasher finishes each cycle with a breath of fresh air, performing 3x better than closed-door systems. The door opens automatically during the drying phase using fresh air to get plates and cutlery completely dry.

Product Benefits & Features

Run your dishwasher whenever it suits you

This dishwasher gets to work when you want it to. With its Delay Start function, you can load it when you want to and program it to start at the time that suits your schedule. You can delay the start by up to 24 hours.

Spotless and sparkling, in every cycle

Our AutoFlex programme with smart sensor adjusts the consumption of each dishwashing cycle to the size and cleanliness of every load. Using only what is needed so that all dishes emerge spotless. No wasted water, energy or time. Just efficiently sparkling, every time.

Fast and efficient performance

For when you have a light load, the 30-minute quick wash programme of the dishwasher offers a timesaving solution with perfect washing results.
