

**Pollen protect filter**

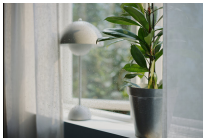

The filter captures and neutralises up to 99% of airborne pollen particles, helping minimize allergic reactions. Extremely high air flow rapidly reduces indoor pollen and provides exceptional protection from related allergies.

---

**Product Benefits & Features****Unique fine particle filter**

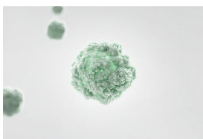

The unique, pre-charged Fine Particle Filter media provides a highly effective barrier against microscopic particles, trapping up to 99.5% of particles as small as 0.3 microns\*.

**<br/><br/><em><span style="font-size: 13px;">\*Filters up to 99,5% of particles as small as 0.3µm based on Sodium**

**Active allergen protection**

The unique Active Pollen Protection filter captures airborne pollen particles in your home, neutralizing up to 99% of allergens\* to minimize allergic reactions to pollen and mites.

**<br/><br/><em><span style="font-size: 13px;">\*Neutralises up to 99% of captured pollen allergens (tested for cedar**

**Anti-bacterial protection**

Protecting your home from airborne bacteria is essential to creating a healthy indoor environment. The air purifier's anti-bacterial coating neutralises bacteria enzymes at a cellular level and up to 99.9% of trapped airborne bacteria, and prevents further bacterial growth.\*

**<br/><br/><em><span**

**Smart filter indicator**

Each filter is equipped with a Smart Tag that measures the fine particle exposure and remaining filter life. The App will indicate when it's time to replace your filter.

**Product Specification**

Color	Grey
Net Weight (Kg)	1
Width	254
Outlet hose length (mm)	290
Depth (mm)	254
Inlet hose length (mm)	290
Height lid closed	360
Height at hob (mm)	375
Gross product weight (kg)	1.8
Material	Synthetic fibre
Product_format	Consumable
Product type	Filter
Included accessories	1x filter
