

Keeps food juicy and hydrated

The 600 TwinTech® No Frost Fridge Freezer, keeps food 60% juicier than fridges with one evaporator. Its dual cooling system maintains the ideal humidity and keeps food from drying out. It also ensures you never have to defrost the freezer.*

Product Benefits & Features

Market fresh after 7 days with TwinTech

Our TwinTech air cooling system keeps the food in your fridge market-fresh. By separating the air that circulates around the freezer from the air in the fridge, it keeps humidity and temperature levels constant. Creating the perfect environment to stop food from drying out.

NoFrost, forever

Our NoFrost technology prevents ice from building up in the freezer, so you never have to defrost it again. Making it more hygienic and easier to clean, while giving you extra room to store the ingredients that you love.

Humidity control for fresh greens

Enjoy delicious vegetables with our Humidity Control drawer. By managing the moisture in the air, it creates the best environment to store food. Closing the vents creates the ideal space for storing herbs and leafy greens, while opening the vents gives optimum storage.

- Internal LED light
- Refrigerator lighting: 1, Internal. LED, Side, With rise-on effect
- Automatic defrosting of the cooling compartment
- Egg tray: 2 for 6 eggs
- Refrigerator shelves: 3 Full Width + 1Flexi shelf, Foil on Plastic
- Action Freeze function freezes food fast and preserves flavour and vitamins
- Fridge Freezer
- Action Cool function quickly assures the desired refrigeration temperature
- Automatic defrosting of the cooling compartment
- Fast Freeze function with auto return to normal settings
- Door hinges placement: Right & Reversible
- Freezer drawers: 3 Full Width, Transparent Plastic
- Net capacity refrigeration compartment: 188 l
- Appliance HxWxD (mm): 1769 x 556 x 549
- Fridge freezer colour/design: White
- Shopping function quickly assures the desired refrigeration temperature
- Automatic defrosting of the freezer compartment
- Net capacity freezing compartment: 61 l
- UAE_3 Star, 1769mm, 188/61L, Touch electronic control Cabinet Top, Interior light,Static with Fan cooling technology, No Frost freezer,White with Right & Reversible handle.
- Fan air circulation for even temperature throughout the fridge
- Separate controls for freezing and cooling compartment

Effortless control with Electronic Touch Controls

Electronic Touch Controls provide easy access to the fridge-freezer's settings and functions, so you can effortlessly change the temperature depending on your needs. It's control at your fingertips.

Consistently cool with DynamicAir

DynamicAir makes sure that the environment inside your fridge is kept at a stable temperature. It works by circulating cool air throughout, meaning that even when the door is opened, your food is protected from heating up. Preserving food better the clever way.

Product Specification

Energy label	G
Yearly energy consumption (kWh)	0
Total net capacity refrigerator (litres)	188
Climate class	SN-N-ST-T
Connected Load	140
Voltage	230-240
Cord Length	2.4
Country of origin	IT
BI dimensions HxWxD in mm	1780x560x550
Dimensions HxWxD in mm	1769x556x549
Net Weight	61
Freezer net capacity (l)	61
Grand total net capacity (L)	249
Freezer Capacity (net)	61
