

**2-in-1 vacuuming**

Experience ultimate flexibility and functional design. Whether you need to clean a large area or a small spot that's difficult to reach, Ergorapido does the job. The easily detachable hand unit allows for effortless cleaning of your kitchen table, furniture or your car's interior.

**Product Benefits & Features**

**Long-lasting Lithium TurboPower battery**

More power for longer with the high-performance Lithium TurboPower battery, which runs twice as long as a nickel battery and is lighter and easier to handle. The battery has up to 35 minutes run time, and the low-battery indicator will signal when it needs to be recharged.

**180° EasySteer™ manoeuverability**

The 180° EasySteer™ manoeuverability, ergonomic design, refined nozzle and large back wheels adds flexibility to your cleaning and smooth turning and movement on all floors. The two-step power mode lets you adapt your cleaning to different surfaces and after cleaning, simply place the cleaner back

**BrushRollClean™ Technology**

Forget cleaning hair and fibers off your vacuum cleaner brush forever. Let the patented BrushrollClean™ Technology do it for you by simply pressing a pedal! It is easy, hygienic and helps to keep your vacuum's performance at a high level.

- DustSpotter™ LED lights
- Cyclonic filter system
- Li-Ion Battery - longer run time and a higher cleaning performance
- Cordless freedom
- Snap Clean Filter function
- Lithium batteries
- Washable Filter
- Quick release brush roll
- Ergorapido with up to 35 minutes run time
