

**Silence Pro System™ for a more quiet clean**

Clean without the noise. The SilentPerformer™ Cyclonic has been built with silence in mind. A noise-optimized motor, together with the construction of the canister and the new DustPro™ silent nozzle ensure a more quiet clean – without compromising on performance.

Product Benefits & Features**Clean Air Filtration™ for healthier and allergy friendly home**

With a hygiene or an allergy plus filter, the SilentPerformer™ Cyclonic is perfectly equipped to take care of allergens and other pollutants in the air. So you can be sure to feel at home even if you are more sensitive to your environment.

**Easy Empty™ system for quick and hygienic emptying**

Keep dust outside of your home for good. The Easy Empty™ system lets you conveniently clear out all the dust you took up while caring for your home, so that you can keep it completely dust-free. Simply take out the container and empty it over a dustbin outside.
