

**Odour protect filter**

The combination of Advanced Active Carbon and Filtration Technology thoroughly cleanse your indoor air unwanted odours, gases and harmful chemical fumes, for good.

---

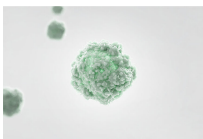

**Product Benefits & Features****Unique fine particle filter**

The unique, pre-charged Fine Particle Filter media provides a highly effective barrier against microscopic particles, trapping up to 99.5% of particles as small as 0.3 microns\*.

**\*Filters up to 99,5% of particles as small as 0.3µm based on Sodium**

**Removes unpleasant odours**

Your indoor air will stay fresher and healthier for longer thanks to the coconut shell-based, active carbon filter which provides exceptional absorption of common household odours. Unpleasant smells from pets, garbage or cooking, as well as Volatile Organic Compounds (VOCs) found in some chemicals,

**Anti-bacterial protection**

Protecting your home from airborne bacteria is essential to creating a healthy indoor environment. The air purifier's anti-bacterial coating neutralises bacteria enzymes at a cellular level and up to 99.9% of trapped airborne bacteria, and prevents further bacterial growth.\*

**\*Filters up to 99,9% of trapped airborne bacteria, and prevents further bacterial growth.\***

**Smart filter indicator**

Each filter is equipped with a Smart Tag that measures the fine particle exposure and remaining filter life. The App will indicate when it's time to replace your filter.

**Product Specification**

Color	Grey
Net Weight (Kg)	1.45
Width	254
Outlet hose length (mm)	295
Depth (mm)	254
Inlet hose length (mm)	295
Height lid closed	240
Height at hob (mm)	285
Gross product weight (kg)	1.88
Material	Synthetic fibre
Product_format	Consumable
Product type	Filter
Included accessories	1x filter
