

**Fresh. Crisp. Nutritious**

Vegetables stay at their most nutritious with the 800 UltraFresh+ fridge-freezer. The sealed drawer has a humidity membrane that automatically adjusts condensation. And with antioxidation filter, vegetables are kept 40% more vibrant than similar drawers. Fresh from the earth, kept vibrantly crisp.

**Product Benefits & Features**
**TasteLock for automatic freshness**

Your ingredients will stay nutritious, flavourful and full of colour with TasteLock®. A sealed pull-out drawer with an automatic humidity control membrane inside the fridge compartment. Keeps food tasty and ready to eat, day after day.

**Controls with a stylish touch**

Quickly set and adjust temperatures and functions with precise touch controls. Clearly visible and straightforward to use, the stylish LCD display adds a further hint of elegance to this premium fridge-freezer.

**A flawlessly clean, professional look at all times**

Thanks to their anti-fingerprint finish, you can always keep these stainless-steel doors flawless. The result is a polished look that echoes a professional kitchen.
