

Quick temperature recovery, for full food protection

The 500 ColdSense Fridge Freezer quickly returns to the correct temperature after door opening and closing, thanks to precise electronic sensors. This helps prevent temperature shocks and food spoilage for total food protection.

Product Benefits & Features

ColdSense protects food by quickly restablising the temperature

ColdSense uses precise temperature sensors to quickly return the Fridge Freezer to the right temperature after door opening and closing. This helps prevent temperature shocks and food spoilage for total food protection.

Consistently cool, with DynamicAir

DynamicAir makes sure that the environment inside your fridge is kept at a stable temperature. It works by circulating cool air throughout, meaning that even when the door is opened, your food is protected from heating up.

Less freezer maintenance, with LowFrost

The integrated LowFrost system maintains your freezer's temperature to help prevent the build-up of frost. For better performance and less maintenance.

Precise food storage with Internal Electronic Control

Take command of the storage conditions of your food with Internal Electronic Control. The LED indicators conveniently show you the temperature, and the settings remove any guesswork.

Humidity Control for fresh greens

Enjoy delicious vegetables with our Humidity Control drawer. By managing the moisture in the air, it creates the best environment to store food. Closing the vents creates the ideal space for storing herbs and leafy greens, while opening the vents gives optimum storage.

- Freezer shelves: 2, Full Width, Glass
- Internal LED light
- Refrigerator lighting: 1, Internal. LED, Side
- Egg tray: 2 for 6 eggs
- Refrigerator shelves: 4 Full Width, Foil on Plastic
- Action Freeze function freezes food fast and preserves flavour and vitamins
- Fridge Freezer
- Automatic defrosting of the cooling compartment
- Fast Freeze function with auto return to normal settings
- Door hinges placement: Right & Reversible
- Freezer drawers: 3 Full Width, Transparent Plastic
- Net capacity refrigeration compartment: 198 l
- Appliance HxWxD (mm): 1772 x 540 x 549
- Fridge freezer colour/design: White
- Net capacity freezing compartment: 73 l
- UAE_3 Star, 1772mm, 198/73L, Touch electronic control Internal, Interior light, Static cooling technology, Static low frost freezer, White with Right & Reversible handle.
- Extremely silent: only 36 dB
- For fully integrated, slide door installation
- 1780 mm built-in height
- Other internal freezer features: Ice scraper
- Extremely silent: only 36 dB
- Built-in HxWxD (mm): 1780 x 560 x 550
