**Humidity control for fresh greens**

Enjoy delicious vegetables with our Humidity Control drawer. By managing the moisture in the air, it creates the best environment to store food. Closing the vents creates the ideal space for storing herbs and leafy greens, while opening the vents gives optimum storage.

**Effortless temperature management**

Internal Touch Controls provide effortless management of the temperature and settings. You can make fast changes with the touch of a button. Plus, the temperature display relays instant feedback on the current settings.

**Maintain perfect texture with FastFreeze**

The FastFreeze system freezes fresh foods quickly so that vitamins, textures, flavours, and all healthy qualities are better preserved.

**Convenient vegetable drawers**

The two half width vegetable drawers allow you to separately store all your fresh fruits and vegetables.
