

Meeting your needs

By combining a gas hob with a gas oven, you can enjoy a capable cooker that will effortlessly meet all your requirements and cooking habits.

Product Benefits & Features

Easily fired up

All it takes to start up this hob and oven is a simple twist of the knob whilst pressing down the knob, so the flame will be sparked.

Keep your pans steady and the heat in the right place

Safe and long lasting, our cast-iron pan supports provide a robust cooking surface with a highly professional appearance.
