

**Your unique kitchen – tailored to suit you**

Combine this modular hob with other modular hobs from Electrolux to build your own tailored mix of cooking methods – choose from gas, induction and radiant.

**Product Benefits & Features**

**Robust, long-lasting support when cooking, for every meal**

This gas hob features high-quality cast-iron pan supports. With such sturdy supports, you will have a robust and stable base for cooking, for a long time to come.

- Easy installation thanks to snap-in system
- Main colour
- Ceramic glass colour
- Left front zone
- Right front zone
- Appliance WxD in mm

- Hob

**More flexibility for using pans of different sizes**

Because this hob has two different sizes of burner, it gives you more flexibility for using your different-sized pots and pans more effectively.

- Hob safety
- Middle rear zone
- Controls position
- Right rear zone
- Right rear zone
- Colour of designs on ceramic class
- Left rear zone
- Controls position
- Middle front zone

**Automatic hob ignition allows you to get started without delay**

By cleverly combining heat control and the ignition in one push-and-twist button, you can fire up your hob instantly and get cooking in no time.

**A practical solution gives you peace of mind**

If the flame of your gas burner is accidentally blown out, this hob's innovative technology can detect it, and automatically cut off the gas supply.

**The wipe-down surface**

The ceramic glass surface of this hob is so easy to clean. A simple wipe, and you are done.
