**Up to 3x better drying\***

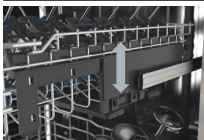

AirDry technology finishes each cycle with a breath of fresh air, performing three-times better than closed-door systems. The door automatically opens 10 cms towards the end of the drying phase, without you lifting a finger. This allows air to circulate inside, leaving plates and cutlery completely dry and spotless at the end of

**Product Benefits & Features****Clean dishes on your schedule**

The 3-hour delay start function lets you load your dishwasher and program it to start at the time that suits your schedule.

**Safe space for delicates**

Foldable FlexiShelves provide the perfect space for your delicate teacups and mugs. The shelves are slightly angled to prevent smaller items from slipping down to the upper rack.

**Flexibility to add more**

You never have to wash your tall kitchenware by hand again. The height of the upper basket can be easily adjusted, giving you the flexibility to fit larger, bulkier items of any height with greater convenience.

**Switch to Eco**

Suitable for cleaning normally soiled tableware, the Eco Program is the most efficient program for water and energy consumption.

- Filter stages
- Inverter system
- Delay start
- Eco program
- AirDry
